

Steps to Register for Math Kangaroo at Redmond Elementary Private Center

1. Go to: <http://www.mathkangaroo.org/mk/default.html>, and click the “User Login” link
2. Login with your existing Username and Password or create a new user account then login.
3. Click “Register Students” to go to the “Student Registration” page, where you can either create a new student or choose one of your past competitors.
4. Choose “Select Private Center/Session” and provide the “Center Manager’s Code”:

WAREDMO0014054

Math Kangaroo Private Session Selector ✕

You can register your student for a session at a private center using the code received from the center’s manager(s). The manager retains the right to cancel the registration if the student is not affiliated with the center.

Enter the code below, select 'Find Center', check the center info, and confirm your choice. All of the private sessions for that center will be added to your selection.

Center Manager's Code:

5. “Find Center”, choose “SESSION 1” from the droplist and “Select This Center”.
