The Passport Club!

Geography Enrichment Program for Elementary School

Passport Club is run by PTSA volunteers, we train and test Red El students on their geography knowledge. We have a Distance Learning program available this year. We are going to provide maps online for students to study every month, and on Friday at the end of the month we are going to post test links for students.

Our next Passport Club test is going to be posted on **Jan 14 in Hawkflash** and will cover December maps. Maps are available here: <https://passportclubonline.com/online-student-study-maps>. Scroll down to "Monthly Maps", select the current month and put password: **HelloWorld**

We also have a Virtual Classroom, where students can access activities that introduce the countries they will be studying each month.
